Salt Lake City, Utah

Attn.: Valued AMETEK Customer

RE: AMETEK / Process Instruments Division – New Representation

Dear Valued Customer,

Ametek Process Instruments is pleased to announce our new Exclusive representative in the territories of UT, AZ, ID, WY, & NV

Equivalent Controls Corporation
P.O. Box 1591
West Jordan, UT 84084
Contact Name: Clint Curtis
Tel: 801-554-3414
Fax: 801-446-9614
Email: sales@equivco.com

Please change your records to contact Equivalent Controls for Ametek Process Instruments Analyzer Sales, Parts, and/or Service. The Ametek Process Instruments Analyzer groups include: Thermox, Western Research, Land Instruments, Chandler Engineering, Moisture, Oxygen Analyzers, Trace Analytical, and Sulfur Recovery Analyzers.

We are sure you will find Equivalent Controls a valuable resource in support of your new and existing Ametek analyzer installations.

Sincerely,

Larry Sieker, P.E.
Southwestern Regional Sales Manager
