Please change your records to contact Equivalent Controls for REXA actuation & KOSO Hammel Dahl control valve Sales, Parts, or Service. The KOSO America divisions include: REXA self-contained electro-hydraulic actuator for linear, rotary and drive applications. KOSO Hammel Dahl severe service valves for globe and angle style control.

We are sure you will find Equivalent Controls a valuable resource in support of your new and existing REXA/ KOSO Hammel Dahl installations.

Sincerely,

Joe Wong
Regional Sales Manager
